

Installing the 120 Day Evaluation License for the TEMAC IP

This tutorial will walk you through the installation of the 120 Day Evaluation License for the Tri-Mode Ethernet Mac.

Getting the Evaluation License

Inside of Vivado, go to **Help>Obtain a License Key**.

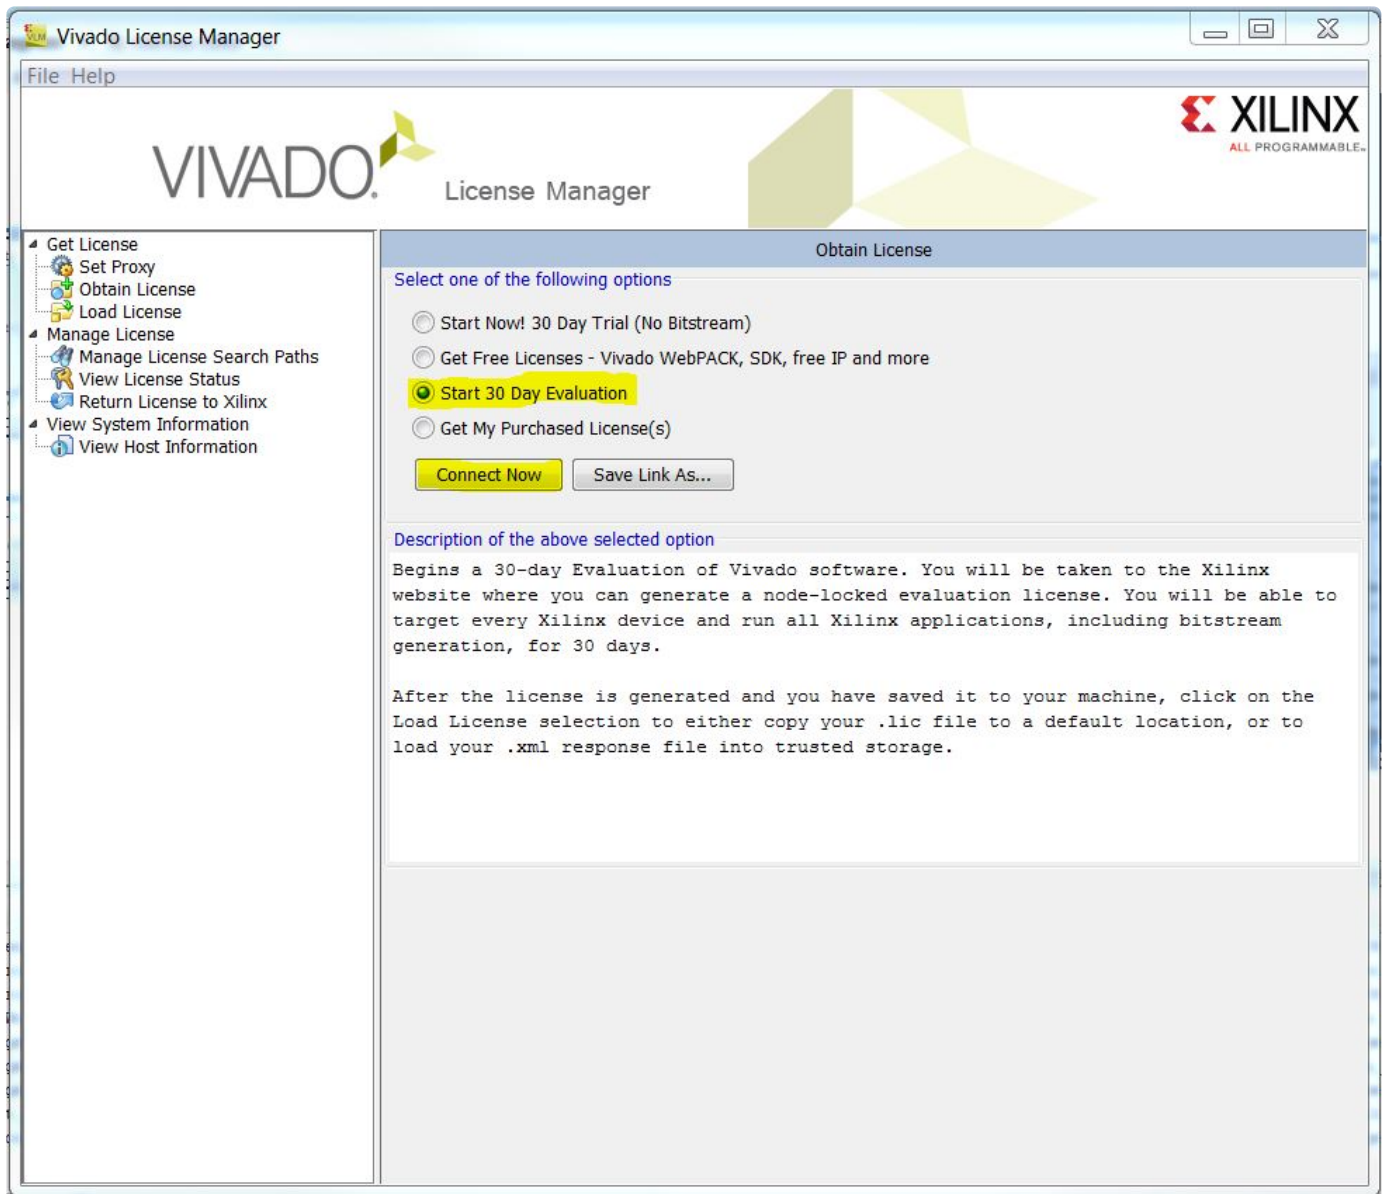

Click the *Start 30 Day Evaluation* bullet and click Connect.

[View License Agreement](#)

[Modify License](#)

Back in the Vivado License Manager, close the *Waiting for Activation* window and go to the **Load License** tab. Click the *Copy License...* button and open the .lic file you just downloaded.

You should get a confirmation message that your License has been installed! Exit the License Manager and restart Vivado and you are done!.
